Staff Release and Agreement

[Please strike out or add material in the brackets]

I, [], am the [parent][guardian] of [], who is a staff person at [Catoctin] [Shiloh] [Teen Adventure] [Opequon] of the Baltimore Yearly Meeting of the Religious Society of Friends. In entrusting my child to the temporary care of Baltimore Yearly Meeting, I understand that my child will be expected to participate in activities that are often considered dangerous, such as: hiking with a backpack on irregular paths and roads; swimming, wading, and floating in an inner tube in ponds, lakes, streams, and rivers; whitewater canoeing; rock climbing; spelunking; and camping in undeveloped wilderness areas under primitive conditions in all weather, using camp fires, camp stoves, and tarps for shelters except as I explicitly prohibit my child from participation in these activities. I understand that my child will be trained and supervised in skills appropriate to these activities by persons who meet the applicable governmental standards for such training and supervision.

I also understand that in the case of prolonged illness or injury that would prevent my child from taking part in camp activities, it may be necessary for my child to return home.

I also agree, in consideration of the reduced fee that accompanies the insurance premium that is based on this agreement, to hold harmless the Baltimore Yearly Meeting, its insurers, and its agents and volunteers in its camping programs, against any expense relating to a claim for injury or loss to my child through them or any of them, unless caused by their intentional act or gross negligence.

Any health or other conditions of my child which would affect [his][her] participation or risk of injury in the indicated activities is stated below:

I have read this agreement, and I make it willingly on behalf of my child or anyone who could claim damages on my child's behalf, including myself [and any parent of the child who is my spouse].
