

# BYM Camps 2025

## Community Agreements

At BYM Camps, our mission is to welcome all with open arms, and to nurture campers' ability to both find themselves and be themselves. We seek to promote the values of simplicity, peace, integrity, community, equity, and stewardship in all aspects of our program.

To accomplish these goals and to create the summer camp experience that we all want and deserve, all campers and staff must agree to these three community agreements in order to be a part of the BYM Camps community and to live at camp:

**1. Respect ourselves and others**

*Building people up, not putting people down*

**2. Don't jeopardize the future of camp**

*Staying safe!*

**3. Work through conflict together**

*Being willing to sit down and talk with others if conflict or concerns come up*

We will talk about these agreements and what they mean during the first few days of camp. But before arriving at camp, we ask that all campers and parents/guardians discuss what these agreements mean, and sign below to signal your commitment to follow them.

If a camper or other community member refuses (or is unable) to abide by these agreements, they may be asked to leave camp. We obviously hope that isn't necessary!

If you have any questions or concerns, please reach out: [info@bymcamps.org](mailto:info@bymcamps.org)
